★ **THE TALENT HUNT OF INDIA** ★

MESSAGE TO STUDENTS FROM ALAKH SIR

Hello Bachhon,

You are the reason we stay motivated every day. Your hard work, dedication, and belief in your dream inspire us to do our best for you. Every late-night study, every doubt you clear, and every step you take towards your dreams reflects your strength.

Challenges will always be a part of the journey, trust yourself, stay consistent, and focus on your goals, your hard work and sacrifices will undoubtedly lead to success. For us, your success is not just an achievement, it's a true celebration for all PWians. I truly believe in each of you, you're all incredibly talented and capable. Just remember, never let self-doubt hold you back. Believe in yourself, and the world will open endless doors of opportunity for you. At the same time, taking

care of your mental peace is important. Every child learns differently, and that's what makes each of you special. Let's promise to always prioritize mental well-being. Whenever you feel overwhelmed, talk to your teachers, share your feelings, and focus on finding solutions with a calm mind. Always remember, you are never alone in this journey. We are here to support and guide you every step of the way.

With all my love and wishes,

Alakh Pandey Sir
PHYSICS WALLAH

MESSAGE TO PARENTS FROM ALAKH SIR

Dear Parents,

Thank you for choosing Physics Wallah to shape your child's bright future and for placing your trust in us. At PW, our students and their future are our top priorities. Our entire team is working tirelessly to fulfill both your dreams and those of your children. We kindly ask you to continue supporting and encouraging them to give their 100%. We urge you not to put any mental pressure on your children. Their well-being is more important than any exam. Every child is unique, some may take longer to understand a concept, while others may grasp it quickly. In these moments, please avoid frustration. Instead, stand by them, boost their morale, have open conversations, become their friends, and help ease their stress. Please be the source of encouragement and strength for your children. In their journey, the role of a parent's love and care is far more important than that of a teacher. We understand that this journey can be tough, but with your support and our guidance, your child will overcome any challenges and achieve their best. The dreams of our students are also our dreams, and the entire PW team is here to support you.

Your child is in safe hands; together, we will help them grow and shine.

Alakh Pandey Sir
PHYSICS WALLAH

From **YouTube** to an **Education Company**

Physics Wallah Limited (PW), an education platform, was **founded in 2020 by Alakh Pandey and Prateek Maheshwari**. Headquartered in Noida, Uttar Pradesh, PW aims to facilitate education through online, offline and hybrid platforms. Initially launched as a **YouTube channel in 2014**, PW now offers education to students through its native app, tech-enabled offline and hybrid centres, and YouTube channels. PW's offerings span various educational segments, including test preparation, a skilling vertical, coaching for higher education, and facilitating education abroad, with programmes available in multiple vernacular languages.

Physics Wallah Limited was listed on the National Stock Exchange of India Limited (NSE) and BSE Limited (Bombay Stock Exchange) on November 18, 2025.

SCALE

Our learner community has grown to over 142 million across social media platforms, making us one of the largest and most engaged education communities, as of Q4 FY26.

AI-BACKED TOOLS

Our AI-backed goal-setting and progress tracking offering, 'AI Sahayak', serves as a personalised smart companion for students in course management and revision.

SPECIALISED FACULTY

Our pool of faculty members ensures that we have specialists across multiple disciplines and functions related to academics.

OFFLINE EDUCATION

At PW Vidyapeeth, students get face-to-face classroom teaching, enabling direct instruction and interactive learning.

OUR PURPOSE & PROMISE

More Than an EdTech Platform

Today, PW is a movement that inspires students to dream bigger and achieve more. From JEE and NEET to UPSC, NDA, GATE, and beyond, PW equips learners not just to clear exams, but to cultivate resilience, curiosity, and excellence. With millions of success stories already written and many more in the making, PW is reshaping the future of education in India, one student at a time.

OUR VISION

To empower every student with engaging, interactive, and relevant learning content while investing in their future and giving them a fair shot at transforming their lives.

OUR MISSION

Empowering students to realize their fullest potential, PW is committed to fostering academic excellence and a competitive spirit, guiding students towards the pinnacle of achievement through a comprehensive educational approach.

ABOUT VIDYAPEETH

While digital learning is common, **PW VIDYAPEETH** prioritises the effectiveness of offline classrooms for high-stakes exams like **JEE** and **NEET**. This initiative combines traditional, in-person learning with technology, offering a structured environment where students benefit from experienced teachers, instant doubt resolution, and personal mentorship.

Students receive weekly **doubt-solving** sessions to address unresolved queries, ensuring that every learner moves ahead with confidence. The learning experience is further enriched through **specialised mentorship programs** where students uncover strategies of the **top rankers** and gain motivation to stay exam-ready.

Activity-based learning methods keep sessions interactive and engaging, helping students build curiosity and a deep understanding of concepts. Each student is connected to the **PW App**, which provides access to quizzes, study planners, libraries, and additional resources that blend offline strength with digital flexibility. **PW Vidyapeeth** also emphasises **rigorous practice** and **assessment**.

Faculty-designed **daily practice papers** allow students to reinforce concepts regularly, while performance dashboards and detailed test analytics provide clear insights into their strengths and areas for improvement. The curriculum is closely aligned with the latest **JEE** and **NEET** patterns so that students are always preparing from the most relevant and updated content.

OUR CORE VALUES

Create More Value

Make every resource count. Deliver greater outcomes for students, parents, partners, and the organization.

Excellence with Integrity

Strive for excellence while acting with honesty, fairness, and accountability.

Learn. Improve. Evolve.

Learn continuously. Innovate fearlessly. Improve relentlessly.

Student-First Always

Put every student's learning and success at the heart of every decision.

VIDYAPEETH FEATURES

Offline Classes by Experienced Faculty:

Learn from trusted faculty in classrooms with recorded lectures, notes & DPPs.

Dedicated Doubt Support:

Structured weekly doubt-solving sessions, leaving no academic gap unaddressed.

All-Inclusive Exam Preparation:

An exam preparation system that begins with the All India Test Series (AITS) to benchmark your standing, then uses Daily Practice Papers (DPPs) for regular reinforcement, and finally, Infinite Practice Papers (IPP) to test you across a wide range of difficulty levels.

360° Preparation Model:

An integrated preparation model combining concept teaching, practice, mentorship, doubt support, live experiments and testing, thus ensuring students don't just learn, but master the concepts.

Performance Dashboards:

Smart dashboards and detailed analytics allow students and parents to track progress, providing a clear roadmap to identify strengths and weaknesses and create a path for focused improvement.

Specialized Mentorship:

Exclusive sessions with mentors and rankers that provide strategy, motivation, and personalized guidance to keep students exam-ready.

Technology Integration:

Seamless access to the PW App with study planners, quizzes, modules, libraries, and performance tracking blending offline strength with digital flexibility.

Interactive Real-Time Quizzes with Leaderboards like Dangal:

Speed quizzes promote healthy competition, critical thinking, and problem-solving skills.

INDIA IS READY!

Dreams do not depend on geography.
The dream of becoming a doctor through NEET.
The dream of entering an IIT through JEE.
The dream of creating a better future through education.

Across India, thousands of students are preparing
with courage, discipline, and determination every single day.

PWNSAT is an initiative to support these aspirations through
scholarships, opportunities, and the right guidance.

Because talent deserves recognition.
Because hard work deserves support.
Because every dream deserves a fair chance.

India is preparing.

INDIA IS READY!

NSAT

PHYSICS WALLAH NATIONAL SCHOLARSHIP CUM ADMISSION TEST

ABOUT NSAT

INDIA IS READY!

PWNSAT (Physics Wallah National Scholarship cum Admission Test) is more than a scholarship test, it is an opportunity for students to evaluate their preparation, unlock their potential, and take confident steps towards their academic goals. Open for students of Classes 5th to 12th & Droppers, PWNSAT brings together scholarships, mentorship opportunities, and access to structured preparation pathways that help students move forward with confidence. Now entering a new edition, **PWNSAT** continues Physics Wallah's commitment to making quality preparation accessible to students across India.

Through **PWNSAT**, students get an opportunity to:

Assess their current level of preparation

Unlock scholarship opportunities

Experience national-level benchmarking

Explore guided academic pathways

Take their next preparation step with confidence

Because preparation becomes stronger when students know where they stand.

WHY APPEAR FOR NSAT

Know Where You Stand

Measure your preparation.

Prepare With Confidence

Move ahead with clarity.

Experience Competition Early

Prepare before the real challenge.

Get Meaningful Insights

Understand strengths & improvement areas.

Compete Nationally

See how you perform beyond the classroom.

NOW IT'S TIME TO DISCOVER WHO'S READY TO LEAD.

WHY PARENTS TRUST NSAT

Every parent wants the best opportunities for their child. **PWNSAT** helps students take their first steps towards serious **JEE & NEET** preparation with confidence.

THROUGH PWNSAT, PARENTS CAN:

Understand their child's performance at a national level.

Earn scholarships that help reduce coaching expenses.

Give children exposure to a real competitive exam environment.

Build confidence before crucial academic years.

Identify strengths and improvement areas early.

Why is PWNSAT the Perfect Dress Rehearsal Before Boards, JEE & NEET?

Because success feels different when you've experienced it once before.

PWNSAT lets you experience a real exam environment, compete with students across India, manage time under pressure, and understand where you stand, all before your actual exam.

But PWNSAT is more than just a practice test. It's India's biggest talent hunt for future doctors and engineers. It identifies promising students from every corner of the country, rewards merit with scholarships, free coaching, free accommodation, and opens doors to opportunities that can transform their academic journey.

THINK YOU'RE AMONG INDIA'S
BRIGHTEST?
BECOME A
 NSAT PRODIGY
The Journey begins with PWNSAT

The next challenge isn't for everyone. Is it for you? Thousands will appear for PWNSAT (Level-1).
Only a select few will receive an invitation to PWNSAT Prodigy (Level-2).

A proctored offline examination designed to identify exceptional academic talent,
reward excellence, and recognise students who are ready to compete at the highest level.

**The first challenge is PWNSAT Level-1.
The next one is yours to earn.**

WHY PWNSAT PRODIGY?

PWNSAT Prodigy (Level-2) is more than just the next stage of the scholarship test. It is an opportunity to benchmark yourself against some of India's brightest young minds and showcase your academic potential on a bigger stage.

Who Can Appear?

- Students are shortlisted based on their performance in **PWNSAT Level-1 (Classes 7th to 12th & Droppers)**
- Students recommended by the School.

“

PWNSAT is a life turner exam for me . It's showing real competition at national level and put me in a bigger space where I can compete with the cream of the nation. Also, I scored 85% scholarship on total fees. It's aspires me to study more , and gain more knowledge.

PATNA VIDYAPEETH

CLASS 11th IIT STUDENT

”

MEERAN ALI

ARNAV SHIVANAND

“

The exam was great, and easy because of the preparation I did. I didn't use any reference book, only read the NCERT book for Science as I did not need to prepare for Math and MAT because my concepts were very much clear, I also qualified for the level 2 of the exam and I got AIR 92 and a Cash Reward of ₹10000, and in the Interview round, I answered the questions much well and I got 85% Scholarship. I had a great experience with PWNSAT Preparation.

I am Nabamita Dutta. I attended the PWNSAT Exam in Class 8. I gave the first level exam of PWNSAT in 3 days of preparation and got 60% scholarship. After that I qualified for 2nd level exam and there I upgraded my scholarship to 95% and qualified for the 3rd Level i.e. the interview exam. I got 75% scholarship on Flat. And now I am a student of PW Barrackpore, Kolkata branch of Class 9th CBSE. I thank PW for giving me this opportunity.

TERMS & CONDITIONS

PWNSAT (Physics Wallah National Scholarship cum Admission Test) is a national-level examination conducted by Physics Wallah Ltd (PW) to identify, reward, and support meritorious students across India. PWNSAT will be conducted in two levels: PWNSAT Level-1 & PWNSAT Prodigy.

All awards and rewards shall be determined and disbursed only after the declaration of the respective PWNSAT results, in accordance with the applicable eligibility criteria and terms of the examination.

In connection with the conduct of PWNSAT, PW may collect and process personal information during the registration process. By proceeding with the registration, you acknowledge and consent to such collection and processing of your personal data in accordance with the Company's Privacy Policy, available on the official website. The Privacy Policy may be updated from time to time at PW's discretion.

1. PWNSAT Registration & Procedure

- PWNSAT is offered in both Offline and Online modes, giving students the flexibility to choose the option that best suits them. Please note that once the mode of the test is selected, it cannot be changed. This ensures students have a convenient and comfortable experience during the exam, allowing them to focus on showcasing their knowledge and skills.
- Registration for both Offline and Online modes is available on the official PW website: {<https://www.pw.live/scholarship/vidyapeeth/nsat>} After registering, students can download their Admit Card for PWNSAT 2026 using their Registered Mobile Number.
- It is mandatory for the student to fill in all the required details as requested in the registration form. A student may register for and attempt PWNSAT Level-1 only once per academic year. Only one valid registration is permitted per student across Offline and Online modes. Duplicate, multiple, or registrations made using different details may be cancelled and may result in disqualification from PWNSAT and forfeiture of applicable benefits.
- After completing the registration process, students can proceed to attempt the mock practice papers available in the PW App.
- Any changes to Examination, Registration, or Result dates will be communicated to students through official channels only.

2. Examination Structure & Selection

- PWNSAT is conducted in two levels: PWNSAT Level-1 and PWNSAT Prodigy (Level-2). Eligibility for cash rewards, the free accommodation and education, and related benefits shall be determined based on the student's performance in PWNSAT Prodigy, subject to the criteria and conditions prescribed by PW.
- PWNSAT Level-1 scholarship examination will be conducted in School, Offline, and Online modes. PWNSAT Level-1 paper will consist of single-correct-answer questions and no negative marking. In Offline mode, the exam will be conducted on an OMR Sheet. In Online mode, the exam will be conducted on a device with a functional camera and a stable internet connection, and will be proctored. On the basis of the student's performance in Level-1, scholarships and the All India Rank (AIR) are determined.
- PWNSAT Prodigy is a single-day written examination scheduled to be conducted in November 2026. PWNSAT Prodigy will be conducted in offline mode at designated PW centers and the paper will include negative marking. The examination format and reporting details will be announced along with the Level-1 results / at the time of admit card release through the PW App/ Website, SMS, and also on WhatsApp.
- A student may qualify for PWNSAT Prodigy through either of the following routes:
 - Level-1 qualification** — students shortlisted on the basis of their PWNSAT Level-1 performance, as per the cutoff and criteria prescribed by PW; or
 - Principal Recommendation** — A duly signed Principal Recommendation Letter shall make the recommended student eligible for consideration for PWNSAT Prodigy, subject to verification and fulfillment of the eligibility criteria prescribed by PW.
- Students who qualify for PWNSAT Prodigy will be eligible for cash rewards, the residential program benefit (top 500 ranks), and other applicable benefits as per the designated reward structure.
- Any student found cheating or practicing any kind of malpractice during PWNSAT — including violation of proctoring rules in Online mode — will be promptly disqualified from the test and from any future opportunities.

3. Scholarship Criteria

The scholarship offered under PWNSAT Level-1 is applicable towards PW's 1-year and 2-year JEE/NEET Vidyapeeth Offline Courses.

- Students may be awarded scholarships of up to 100% of the course fee for the Academic Session **(2027–28)**, subject to PW Management's decision, based solely on the student's PWNSAT Level-1 performance and merit. The scholarship amount will be declared along with the PWNSAT Level-1 results.
- Students studying in **Classes 5th to 12th & Droppers** are eligible to apply for scholarships under PW JEE/NEET Offline Courses, subject to course eligibility criteria.
- PWNSAT scholarships are determined solely on the basis of the student's PWNSAT Level-1 performance and are applicable towards **tuition fees only**.

4. Cash Rewards Applicability (earned through PWNSAT Prodigy)

Cash rewards shall be awarded to students on the basis of their All India Rank (AIR) in PWNSAT Prodigy, class-wise and stream-wise (for Classes 10 to 12), as follows:

- Classes 7th, 8th & 9th:** cash rewards up to AIR 150 for each class.
- Class 10th:** cash rewards up to AIR 500 in each stream (Medical & Engineering).
- Class 11th:** cash rewards up to AIR 300 in each stream (Medical & Engineering).
- Class 12th (Studying & Passed):** cash rewards up to AIR 50 in each stream (Medical & Engineering).

The applicable cash reward amount for each rank/rank-band shall be as per the reward structure prescribed by PW, communicated to eligible students along with the results.

Disbursement schedule — Cash rewards shall be disbursed in installments, linked to course progression:

Courses	1 st Year (After 3 months)	On Completion of 1 st Year	On Completion of 2 nd Year
One Year Course	30%	70%	—
Two Year Course	9%	21%	70%

Note: Cash rewards shall be disbursed in installments as per the schedule above, subject to fulfillment of all eligibility and admission requirements.

5. Cash Rewards Criteria (earned through PWNSAT Prodigy)

Cash rewards shall be awarded based on the All India Rank (AIR) secured in PWNSAT Prodigy, calculated separately for the applicable class and stream, as per the reward structure prescribed by PW.

Tie-Breaker Rule: In case the tie remains unresolved, preference may be given to students who have qualified in recognized national or international Olympiads, subject to verification of valid documentary proof:

- Higher rank will be awarded on the basis of subject-wise scores, in the following order of priority:
 - Classes 7th to 10th:** MAT, Mathematics, Physics, Chemistry, Biology.
 - Classes 11th & 12th (JEE):** Physics, Chemistry, Mathematics.
 - Classes 11th & 12th (NEET):** Physics, Chemistry, Botany, Zoology.
- If the aggregate score and all subject-wise scores of two or more students are identical, the younger student (by date of birth) shall be awarded the higher rank.
- Additionally, preference may be given to students who have qualified in recognized national or international Olympiads. Such students must provide valid documentary proof of their Olympiad qualification at the time of admission or verification.

6. Cash Rewards Eligibility (earned through PWNSAT Prodigy)

Criteria*	Class 7 th –9 th	Class 10 th –12 th (JEE)	Class 10 th –12 th (NEET)
Class Attendance	≥ 85%	≥ 85%	≥ 85%
Test Attendance	≥ 75%	≥ 75%	≥ 75%
Cumulative Test Score	≥ 85%	JEE Main: ≥ 70% JEE Adv: ≥ 50%	NEET: ≥ 80%

*Students must meet all the minimum attendance, test participation, and cumulative test score criteria applicable to their class/stream.

- Applicability:** Cash rewards are applicable only to students enrolled in PW Vidyapeeth Offline Courses for Classes 7th–12th and Droppers (JEE/NEET), as per the prescribed reward structure. Students enrolled in Class 6th and below are not eligible under this scheme.

- b. Eligibility Criteria:** Students must fulfill the minimum attendance, test participation, and academic performance criteria specified in the table above. Only officially recorded attendance and scheduled test participation shall be considered.
- c. Verification of Eligibility:** Eligibility shall be verified by the Physics Wallah Vidyapeeth Academic Team. Any false information, malpractice, misconduct, or disciplinary violation may result in disqualification from the cash reward program.
- d. Reward Disbursement:** Cash rewards shall be disbursed in installments as per the distribution schedule in Section 6. For the first year, disbursement shall commence only after completion of three months from the course start date, subject to fulfillment of all eligibility requirements.
- e. Mode of Payment:** Cash rewards shall be transferred only through Cheque/NEFT to the student's bank account, or a joint account held with either parent (mother/father) in a nationalized or scheduled bank.
- f. Non-Transferability:** Scholarships and cash rewards are strictly non-transferable and cannot be exchanged, reassigned, or claimed by any other individual.
- g. Final Authority:** The decision of Physics Wallah Ltd regarding eligibility, verification, reward disbursement, interpretation of these terms, and all related matters shall be final and binding on all students and parents/guardians.

7. Free Accommodation and Education for Top Students

- a. Eligibility:** A student shall be eligible for the free accommodation and education benefit only if the student secures a rank between 1 and 100 in his/her class in PWNSAT Level 1 and a rank between 1 and 100 in his/her class in PWNSAT Prodigy. Students satisfying both conditions shall be eligible for one (1) year of free accommodation and education at PW Vidyapeeth Residential Program (VPRP) campuses, subject to the discretion of Physics Wallah (PW).
- b. Discretionary Eligibility:** A student who is not ranked 1–100 in his/her class in PWNSAT Level 1 but secures a rank between 1 and 100 in his/her class in PWNSAT Prodigy may be considered for the benefit at the sole discretion of PW.
- c. Duration:** In all cases, an eligible student shall be entitled to one (1) year of free accommodation and education only.
- d. Verification of Eligibility:** Eligibility shall be verified by the Physics Wallah Vidyapeeth Academic Team. Any false information, malpractice, misconduct, or disciplinary violation may result in disqualification from the free accommodation and education benefit.
- e. Non-Transferability:** The offering is strictly non-transferable and cannot be exchanged, reassigned, or claimed by any other individual.
- f. Final Authority:** The decision of Physics Wallah Ltd regarding eligibility, verification, allotment of the free accommodation and education benefit, and all related matters shall be final and binding on all students and parents/guardians.
- g. Continuity of Benefit:** Continuation of the one-year free accommodation and education benefit is subject to the student meeting the following ongoing eligibility criteria. If the student fails to meet these criteria, PW reserves the right to cancel or discontinue the free accommodation and education benefit.

Criteria*	Class 7 th –9 th	Class 10 th –12 th (JEE)	Class 10 th –12 th (NEET)
Class Attendance	≥ 85%	≥ 85%	≥ 85%
Test Attendance	≥ 75%	≥ 75%	≥ 75%
Cumulative Test Score	≥ 85%	JEE Main: ≥ 70% JEE Adv: ≥ 50%	NEET: ≥ 80%

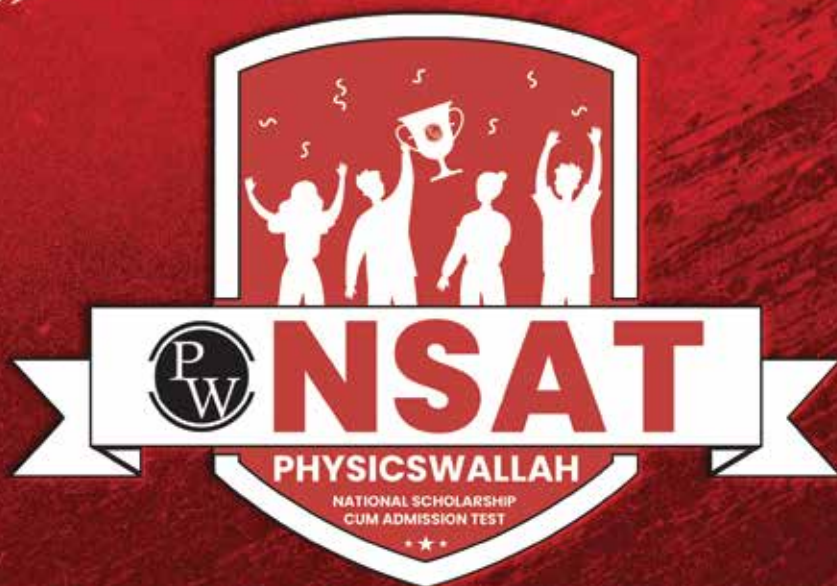

*Students must meet all the minimum attendance, test participation, and cumulative test score criteria applicable to their class/stream.

8. Revocation of Cash Rewards and Scholarships

- a. At the time of enrollment in PW JEE/NEET Vidyapeeth Offline Courses, students must provide a valid school-issued marksheet, certificate, or other officially recognized document verifying the student's date of birth. Failure to submit the required documents may result in revocation of the scholarship and/or cash reward.
- b. If, at any stage, it is found that a student has made multiple PWNSAT registrations using different details (including mobile numbers), PW reserves the right to revoke the scholarship and cash reward with immediate effect.
- c. Any act of indiscipline or misconduct by the student during the course may result in revocation of scholarship and/or cash reward eligibility.
- d. Absence from classes for more than two weeks without prior approval from the respective PW Vidyapeeth Centre Head may lead to revocation of the scholarship and cash reward eligibility.

General Instructions

- a. A scholarship is a fee concession provided to students as financial aid. If at any point the Government decides to charge GST or any other tax on the scholarship/concession/discount amount or awards & prizes, such tax shall be borne by the student/parent/guardian.
- b. PWNSAT Level-1 scholarships are applicable towards **tuition fees only**. In the case of any special scholarship category, the scholarship amount may be applied to the overall fee, at the sole discretion of Physics Wallah Ltd (PW Ltd).
- c. PWNSAT results, scholarship details, and eligibility information shall be communicated to students directly through SMS, WhatsApp, counselling calls, or other official communication channels.
- d. To maintain fairness and credibility, the ranks of top-performing candidates in Level-1 (e.g., the top 50) will not be disclosed publicly, as Level-1 may be susceptible to malpractice. Final eligibility and rewards are determined on the basis of performance in **PWNSAT Prodigy**.
- e. In case of any discrepancy in the PWNSAT 2026 result, the student may reach out to the nearest PW Vidyapeeth or PW Tuition Centre.
- f. It is compulsory to provide the mobile number of the student, parent, or guardian. Results and other information will be sent via SMS, WhatsApp, Call, or push notification. PW may use the contact details provided during registration to communicate information relating to PWNSAT, including examination updates, results, counselling, scholarship information, and other relevant program-related communications, in accordance with its Privacy Policy and applicable law.
- g. Scholarships and cash rewards under PWNSAT are applicable only to students who enrol in PW's 1-year or 2-year JEE/NEET Offline Courses.
- h. Existing/Internal PW students are not eligible to participate in the scholarship and cash reward program under PWNSAT, unless explicitly specified by PW under a separate category or policy.
- i. Students availing PWNSAT scholarships shall remain eligible to appear for other scholarship examinations conducted by PW, including SAT and similar programs, subject to the respective terms and conditions of such examinations. The applicability, adjustment, or combination of benefits arising from multiple scholarship programs shall be determined solely by PW.
- j. A student may register for and attempt PWNSAT Level-1 only once per academic year. Only one valid registration is permitted per student across Offline and Online modes. Duplicate, multiple, or registrations made using different details may be cancelled and may result in disqualification from PWNSAT and forfeiture of applicable benefits.
- k. The scholarship shall remain valid for the period specified by PW in the scholarship communication. PW reserves the right to modify the validity period in accordance with the applicable scholarship terms.
- l. By agreeing, you authorize the Physics Wallah Ltd. to use your name, photos, and videos for publicity across all media. PWNSAT also reserves the right to record video and audio testimonials before or after the exam for promotional purposes.
- m. In case any dispute or difference arises between the student/parent and the Institute regarding the interpretation of these terms and conditions, non-payment of any claim, or any matter arising out of or under these terms, the same shall be referred to a sole arbitrator appointed by mutual consent of the parties. The proceedings shall be conducted at Delhi under the provisions of the Arbitration & Conciliation Act, and the Courts at Delhi shall have exclusive jurisdiction. If the appointed arbitrator refuses or is unable to act, or the proceedings are abandoned, the parties may, by mutual consent, appoint another arbitrator, who shall be entitled to proceed from the stage at which the proceedings were left, subject to both parties' consent.
