# ARJUNA NEET 2026 TEST SERIES

**TOTAL TESTS – 15**

**Mode : Online**

**Language: Hindi**

- Comprehensive online mock test series for class 11th NEET
- 15 Tests (11 Part length + 04 Full length)
- Detailed text and video solution for every test
- In depth performance analysis with All India Rank (AIR)
- Unlimited Re-attempt for thorough practice

## TEST SCHEDULE

| S.No. | Date                          | Test Name | Physics                                                                                                                                                                                                        | Chemistry                                                   | Botany                                                              | Zoology                                                                                       |
