

Ultimate KCET Crash Course 2026 - Biology Lecture Planner

S. No	Chapter Name	Lecture Number	Total Lectures	Chapter Completion Date	Faculty Name
1	Human Reproduction	1	1	Wednesday, March 18, 2026	Raghunath Sir
2	Sexual reproduction in flowering plants	1	1	Thursday, March 19, 2026	Chaitra Ma'am
3	Reproductive Health	1	1	Friday, March 20, 2026	Raghunath Sir
4	Principles of inheritance and variation	1	1	Saturday, March 21, 2026	Chaitra Ma'am
5	Evolution	1	1	Monday, March 23, 2026	Raghunath Sir
6	Molecular basis of inheritance	1	1	Tuesday, March 24, 2026	Chaitra Ma'am
7	Human Health and Diseases	1	1	Wednesday, March 25, 2026	Raghunath Sir
8	Microbes in human welfare Organisms and populations - Part 1	1	1	Thursday, March 26, 2026	Chaitra Ma'am
9	Biotechnology: Principles and Processes Biotechnology and its Application	1	1	Friday, March 27, 2026	Raghunath Sir
10	Ecosystem ,Biodiversity and conservation ; The Living world	1	1	Saturday, March 28, 2026	Chaitra Ma'am
11	Animal Kingdom Structural Organization In Animals (Frog) Biomolecules	1	1	Monday, March 30, 2026	Chaitra Ma'am
12	Cell : The unit of life Cell cycle and cell division	1	1	Tuesday, March 31, 2026	Raghunath Sir
13	Breathing and Exchange of Gases Body Fluids and Circulation Excretory Products and Their Elimination	1	1	Wednesday, April 1, 2026	Chaitra Ma'am
14	Photosynthesis in higer plants Respiration in plants	1	1	Thursday, April 2, 2026	Raghunath Sir
15	Plant growth and development Biological classification	1	1	Friday, April 3, 2026	Chaitra Ma'am
16	Locomotion and Movement Neural Control and Coordination Chemical Coordination and Integration	1	1	Saturday, April 4, 2026	Chaitra Ma'am
17	Plant Kingdom Morphology of flowering plants Anatomy of flowering plants	1	1	Monday, April 6, 2026	Raghunath Sir
