01 केंद्र बनाने पर आगामी करीब 85 लाख का खर्च

20 जिलों में औषधि मंडार केंद्र बनेंगे पहले चरण में

Skill development centers

Why in the news?

Skill development centers will be opened in all the blocks of the state.

- ❖ Address the lack of skill development centers in certain blocks and provide vocational training to youth.

Training Center Gaps:

- ❖ No skill development centers in about 30 blocks, including those in Rohtas, Gaya, Jamui, Arwal, and Champaran districts.

Training Program Details:

- ❖ Total training duration- 240 hours.

Components:

- ❖ Language and communication skills: 80 hours.
- ❖ Basic computer knowledge: 120 hours.
- ❖ Behavioral skills: 40 hours.
- ❖ Training Partners: Bihar Skill Development Mission collaborates with 16 partner departments and 2,500 training centers.

Achievements:

Enrollment and Certification:

- ❖ 31 lakh youth enrolled in training programs.
- ❖ 22.5 lakh successfully certified.

Employment Outcomes: 3 lakh trainees secured employment post-training.

Women's Participation: 45% of trainees are women, indicating strong female involvement in the programs.

Economy

Trade Connect e-platform

Why in the news?

Recently the Union Minister for Commerce and Industry launched the Trade Connect e-platform to help Indian exporters, MSMEs and entrepreneurs.

- ❖ Trade Connect ePlatform will connect Indian Exporters, MSMEs and Entrepreneurs with various stakeholders including Indian Missions Abroad, Export Promotion Councils, and other Partner Government Agencies.
- ❖ **Objective:** Provide comprehensive support to Indian exporters by offering trade-related information, guidance, and tools.

Main Features:

- ❖ **Trade Information and Guidance:**
 - Provides global demand data, country-wise trade info, and market access conditions.
 - Guides exporters on international standards, compliance, and connections with global buyers.
 - Offers support for Free Trade Agreements (FTAs), including documentation for preferential tariffs.
- ❖ **Certificate of Origin:**
 - Exporters can apply for a certificate of origin for exports to FTA partner countries.
- ❖ **Country Guide:**
 - Lists export opportunities, rules, and tariffs for various countries.

- ❖ **Public Webpage for Exporters:**
 - Indian exporters, especially “status holders” identified by the Department of Commerce, can create public profiles and showcase their products to a global audience.
- ❖ **Expert Assistance:**
 - Exporters can query officials and experts (over 180 officials from Indian missions abroad and over 600 Export Promotion Council officials) on trade-related topics.
 - Covers export-import regulations, finance, insurance, trade disputes, logistics, and foreign market opportunities.
- ❖ **Training and Skill Development:**
 - Hosts training materials to enhance strategies and skills in international trade.

Implementation and Collaboration:

- ❖ **Main Partners:**
 - Developed in collaboration with the Ministry of MSME, EXIM Bank, TCS, Department of Financial Services (DFS), and Ministry of External Affairs (MEA).

- ❖ **Future Enhancements:**
 - Second version planned for 2025, based on stakeholder feedback.
 - Will expand to include services like banking, insurance, and logistics.
 - Platform will be available in other official languages in future.
- ❖ **Launch Context:**
 - Platform connects over 6 lakh IEC holders, 180 Indian mission officials, 600 Export Promotion Council officials, and officials from DGFT and Department of Commerce.

Environment And Geography

Mission Mausam

Why in the news?
