NCERT Class 7 English Chapter 10 The Story of Cricket Summary

In Class 7 English Honeycomb Chapter 10, "The Story of Cricket," uncovers the origins of cricket, tracing back 500 years in England. This sport involves a ball and a bat. The narrative recounts the inaugural cricket match of the 17th century. During the 18th century, bats resembled curved hockey sticks. Matches lasted five days on a 22-yard oval or circular pitch, often resulting in draws.

In 1744, cricket rules were formally written, entrusting umpires to settle disputes. Specifications were set for pitch dimensions, wickets, and balls placement. The pitch measured 22 yards, stumps were 22 inches tall, and balls were positioned 6 inches apart. Balls weighed 5-6 ounces. The first Cricket Club formed in Hambledon in 1760, and the LBW rule was published in 1744.

The text also discusses cricket equipment, all handmade during that era. Bats comprised twine, leather, and cork. In India, the Zoroastrian or Parsi Community introduced cricket in Bombay. The first Oriental Cricket Club was established in India in 1848.
