ELIGIBILITY	Offered at	Which GS-2025 subject test should you appear for? Either [A] or [B]		Alternative tests that are eligible instead of the GS-2025 test [C]	
		[A]The subject test which corresponds to the name of the program (below) OR see next column	[B] Alternatively, your scores in any of the following subjects will be considered if you tick the check-box indicating this at the time of registration for GS- 2025	JRF qualifications from CSIR/DBT/ /ICMR/UGC/DBT. Info on how to apply using these scores will be available on the relevant TIFR Centre websites/ the TIFR GS admissions website at an appropriate time. Please do not	Eligibility i.e. the degree you need to have/ or you are currently pursuing and will appear for the final exam by July 2025.
Science Education (PhD only)	HBCSE, Mumbai	Science Education	-		Master's degree in any subject with not less than 5 years of study after Std. XII *Post Graduate Diplomas do not qualify as Master's degrees.
Computer Science & Learning, Information and Data Science (PhD or I-PhD)	TIFR Mumbai (School of Technology and Computer Science)	Computer Science & Learning, Information and Data Science. QP instructions at https://www.tifr.res.in/~academics/docs/CS_LIDS_syllabus_exam_instructions.pdf	Mathematics Physics	the GS-2025 test. This application is to be made via a link (available on our website on February 1, 2025). In case a student takes the Computer and Systems Science GS-2025 test and also submits a GATE score	Eligibility for PhD: MTech/ ME/ MCA/ MSc or any other equivalent degree in Computer Science / Electronics & Communications Engineering / Electrical Engineering/ related branches Or Mathematics Or Physics. 4-year degree holders (e.g. B Tech/ BE/ BSc) may be permitted to join as PhD students if they satisfy the criterion of a minimum aggregate score of 75%/ GPA 7.5 in their Bachelors' degree. Eligibility for I-PhD: BSc (or any 3-year degree) in Computer Science/Electronics & Communications Engineering/Electrical Engineering/ related branches/ Mathematics Or Physics OR 4-year degree holders (e.g. B Tech/ BE/ BSc) scoring an aggregate score/GPA less than 75%/7.5 in their Bachelors' degree.
	TIED Mounts:			will be considered.	
Mathematics (PhD or I-PhD)	TIFR Mumbai (School of Maths)	Mathematics	Mathematics No other GS-2025 test score will be accepted	No other exam score will be accepted	Eligibility for PhD: MA/ MSc/ M Math/ M Stat/ ME/ M Tech in any area of Mathematics/ Statistics/ Science/ Technology.
	ICTS Bangalore (PhD only)	re Mathematics (PhD at CAM)			Eligibility for I-PhD: BA/ BSc/ B Math/ B Stat/ BE/ B Tech in any area of Mathematics/ Statistics/ Science/ Technology
	CAM Bangalore (PhD)				
	CAM Bangalore (I- PhD)				
CAM-ICTS Applied and Computational Maths (PhD only)	CAM Bangalore ICTS Bangalore	Mathematics	Physics		Eligibility for PhD: MA/ MSc/ M Math/ M Stat/ ME/ M Tech in any area of Mathematics/ Statistics/ Science/ Technology.
Biology (PhD or I-PhD)	TIFR Mumbai (DBS)	Biology (JGEEBILS)	Computer Science & Learning, Information and Data Science	May yei you to 100 candidates appeared for the exam, the top 100 ranked candidates are eligible). Information on the TIEP, 62 candidates appeared for the exam, the top 100 ranked candidates are eligible). Information on the tree of the candidates are eligible). The top 100 ranked candidates are eligible). Information on the tree of the candidates are eligible).	Eligibility for PhD: Master's degrees in any branch of Biology/Physics/ Chemistry/Computer Science/ Mathematics/ OR 5- year degrees (e.g. MBBS, BDS) OR professional Master's Degrees (MPharm/ MTech). Eligibility for I-PhD:
	NCBS Bangalore		Chemistry		Bachelors in any branch of Biology/Physics/ Chemistry/Computer Science/ OR any 4-year degree program that awards a "Bachelor's degree" including BTech, BE, BVSc, BPharm (4 year course). Candidates with a Master's degree in non-Biology disciplines may join as I-PhD students if they wish to obtain an MSc in addition to the PhD.
	TIFR Hyderabad		Physics		
Physics of Life (PhD only)	ICTS Bangalore and NCBS Bangalore	there is no "Physics of Life" subject test	Computer Science & Learning, Information and Data Science Mathematics OR Mathematics (PhD at CAM)	Some admissions based on GATE/ NET/ JEST scores in the relevant subjects are also possible. Details of how to apply will be available on the websites of NCBS and ICTS at an appropriate time.	Eligibility for PhD: BE/B Tech/ME/ M Tech/ MSc/MS degrees in Engineering, Physics, Chemistry, Mathematics or Computer Science.
	TIED M		,5105		Eligibility for PhD:
Physics (PhD and I-PhD)	TIFR Mumbai ICTS Bangalore	No other GS-202	No other GS-2025	Some admissions based on GATE/ NET/ JEST scores in Physics are also possible. Details of how to apply will be available on the websites of TIFR-Mumbai, NCRA, ICTS, and TIFR-Hyderabad, at an appropriate time.	MSc/ MS or equivalent degree in Physics of duration not less than 5 years.
	TIFR Hyderabad	Physics	test score will be accepted		Eligibility for I-PhD: ME/ M Tech/ BSc/ BS/ BE/ B Tech or equivalent degree in Physics of duration not less than 3 years.
	NCRA Pune				Any other degree in Science / Engineering or equivalent, of duration not less than 3 years in total. (Students already having/ completing Master's degree by July 2025 are not eligible for I-PhD)
Chemistry (PhD or I-PhD)	TIFR Mumbai (DCS)	Chemistry	Biology	Some admissions based on GATE/ NET/ JEST / JAM scores in the relevant subjects are also possible at TIFR-H only. The eligibility criteria for PhD/ 1-PhD is the same as that for the GS-2025 test. Details of how to apply will be available on the TIFR-H website at an appropriate time.	Eligibility for PhD: MSc/ M Tech/ M Pharm or equivalent degree. 4-year degree holders (e.g. BE/ BTech/ BPharm or equivalent) may be permitted to join as PhD students if they satisfy the criterion of a minimum aggregate score of 75%/ GPA 7.5 in their Bachelors' degree. They will not be eligible for the MSc degree.
	TIFR Hyderabad		Physics		Eligibility for I-PhD: 3-year BSc/ BS or equivalent degree. 4-year degree holders (e.g. BE/ B Tech/ B Pharm or equivalent) with aggregate score/GPA less than 75%/7.5 in their Bachelors' degree may join as I-PhD students if they wish to obtain an MSc in addition to the PhD.
