1. Why was it so crowded at the door of the coach?

Answer-

It was so crowded at the door of the coach because people don't have the patience to wait. A few of them were in a hurry to board the train while others were getting off all at once.

This simultaneous movement of passengers trying to get on and off the train created a rush and made the area near the door very crowded.

2. Have you ever travelled on a train? When?

Answer-

Yes, I have traveled on a train many times. My grandmother lives in Surat and we usually go to visit her.

3. What food would you like to take with you when you travel? Why?

Answer-

Fruits, vegetables, chocolates, and biscuits are light snacks that are easy to carry and can provide quick energy during travel. Avoiding heavy and oily foods is a good idea since they can be more difficult to digest and may cause discomfort during travel.

Packing snacks like you mentioned can help keep you nourished and comfortable throughout your journey.

4. What does the ticket-checker do?

Answer-

The ticket-checker checks the tickets to ensure that all passengers have their tickets and are seated in the correct seats. This helps maintain order and ensures that everyone is in the right place according to their reservation or ticket.

5. How will you recognise the ticket-checker?

Answer-

The ticket-checker also known as the Travelling Ticket Examiner (TTE) wears a black coat with a name tag on the chest. Their shoulders usually display badges with 'TTE' to indicate their role as Travelling Ticket Examiners. These identifiers help passengers easily recognize them for ticket verification and assistance during their journey on the train.

1. What did Omana see from the window?

Answer-

Omana observed small villages, fields, and other scenery passing by in the opposite direction during her train journey. She also noticed the stunning orange sky during sunset, adding to the beauty of her experience.

2. What are some of the things that are sold at railway stations?

Answer-

Fast foods, toys, cold drinks and Books and more are among the items sold at railway stations. During her journey, Omana saw hawkers selling snacks like vatata vada, puri-shaak (puri with vegetables), hot tea (garam chai), and cold milk (thandha doodh). These vendors provide a variety of options for passengers to enjoy during their train travels.

1. Why do you think there was no water in the bathroom of the train? Discuss.

Answer-

Passengers traveling on trains often waste water, and sometimes the water containers are not properly filled. Efficient water usage is essential, and ensuring that containers are adequately filled can help all passengers access the water they need during their journey.

2. Imagine that you are going on a long train journey. What are the things that you will take with you to help pass the time?

Answer-

Handy games and storybooks are great items to carry to pass the time during a long train journey. They can keep passengers entertained and engaged, making the journey more enjoyable and relaxing. These activities also provide a pleasant way to pass the time, especially for children and those who enjoy reading or playing games.

3. Can you recognise who these people shown in the picture are? What work do they do? Discuss.

Answer-

Here are some important roles and responsibilities in the railway system:

1. **Coolie:** A coolie assists passengers by carrying their luggage at the station.
2. **Guard:** The guard is responsible for the train, signals its departure, and ensures its safe operation during the journey.
3. **Driver:** The driver controls and operates the train, ensuring it runs on schedule and safely reaches its destination.
4. **Ticket-Checker (TTE):** The ticket-checker verifies passengers' tickets and ensures they are seated in the correct places.
5. **Railway Police:** Railway police provide security for railway stations, trains, and passengers traveling by train.
