# GEOGRAPHY AND ECONOMICS (E) (For Children With Special Needs)

### **Subject Code**

S 0 1 7

Total No. of Questions: 5 (Printed Pages: 16) Maximum Marks: 65

**INSTRUCTIONS**: I) **All** questions are **compulsory**.

- II) Answers to be entered in the **space** provided on the question paper.
- III) Figures to the **right** indicate **full** marks.
- 1. A) 1) Identify the picture given and answer the following questions. [2]

| a) | Name the type of soil you see in the above picture.  |
|----|--|
|    |  |
| b) | Name any one State where this type of soil is found. |
|    |  |
|    |  |

2) Match the resources given in **Column A** based on their ownership in **Column B** and write the correct answer in **Column C**.

| [2 | ] |
|----|---|
| [2 | J |

[2]

| Column A                | Column B    | Column C |
|-------------------------|-------------|----------|
| 1) National resources   | a) House    | 1)       |
| 2) Individual resources | b) Ocean    | 2)       |
|                         | c) Railways |          |

3) Name the method used to control soil erosion against each picture.

(1)

(2)

1) \_\_\_\_\_is a example of non renewable resource.

- a) forest
- b) fossil fuel
- c) solar energy

S-017 -2-

B) 1) Match the following animals in **Column A** with their category of existence in **Column B** and write the correct answer in **Column C**.

| Column A           | Column B           | Column C |
|--------------------|--------------------|----------|
| 1) Nicobar Pigeon  | a) Extinct species | (1)      |
| 2) Asiatic Cheetah | b) Normal species  | (2)      |
|                    | c) Endemic species |          |

2) Look at the picture and answer the following questions :

| a) | Which Act was implemented in 1972 in India with various provisions |
|----|--|
|    | for protecting species of wildlife?                                |

|                                   |                                       |  |  |  |  |
|                                   |                                       |  |  |  |  |

2) Match the multipurpose projects in **Column A** with States in **Column B** and write the correct answer in **Column C**. [2]

| Column A                    | Column B          | Column C |
|-----------------------------|-------------------|----------|
| Chambal Valley     Project  | a) Andhra Pradesh | (1)      |
| Nagarjuna Sagar     Project | b) Punjab         | (2)      |
|                             | c) Madhya Pradesh |          |

| • | Choose and write the correct alternative from the options given below.  i) Tehri Dam Andolan is mainly concerned with the State of  i) Uttarakhand  ii) Punjab  iii) Haryana | [1]    |
|---|--|--------|
| - | Over exploitation and mismanagement of water resources will impoverish his resources.  | [2]    |
| a | How does industrialization exert more pressure on existing fresh water resources ? (write one point)   | -<br>- |
| b | Why is irrigation necessary in India ?   | _      |

S-017 -6-

- B) Tick mark the correct answer from the options given below:
  - 1) Which one of the following is a fiber crop?

b) Jute

[2]

c) Cotton

2) Which one of the following is a rabi crop?

a) Maize

b) Wheat

c) Muskmelon

3) This type of farming is still practiced in few pockets of India.

[2]

|    | a) | Name the type of agriculture you can see in the given picture.        |          |  |  |
|----|----|---|----------|--|--|
|    |    |   | _        |  |  |
|    | b) | Land productivity is low in this type of agriculture. Give reason.    | _        |  |  |
|    |    |   | _        |  |  |
| 4) | Co | omplete the given sentences with the help of the picture given below. | _<br>[2] |  |  |
|    | Te | ea is an important beverage crop in India.                            |          |  |  |
|    |    | Tea is processed with in the tea garden                               | _<br>    |  |  |
|    | 2) | Major tea producing states are  | —<br>—   |  |  |
|    |    |   | _        |  |  |

S-017 -8-

## 

|    |    | 5) | Mil | lets are also known as coarse grains.                             | [2] |  |   |  |
|----|----|----|-----|---|-----|--|---|--|
|    |    |    | a)  | a)  | a)  |  | What are the geographical conditions and soil required for the growth of Ragi. (Write any two points) |  |
|    |    |    |     | a)  | -   |  |   |  |
|    |    |    |     |   | -   |  |   |  |
|    |    |    |     | b)  | -   |  |   |  |
|    |    |    |     |   | -   |  |   |  |
| 3. | A) | 1) | Ob  | serve the following picture and answer the questions given below. | [2] |  |   |  |
|    |    |    |     |   |     |  |   |  |
|    |    |    |     |   |     |  |   |  |
|    |    |    | a)  | What are the raw materials used to produce biogas?                |     |  |   |  |
|    |    |    |     |   | _   |  |   |  |
|    |    |    |     |   | _   |  |   |  |
|    |    |    | b)  | State any one benefit of using Gobar gas to farmers.              | _   |  |   |  |
|    |    |    |     |   | _   |  |   |  |
|    |    |    |     |   | _   |  |   |  |
|    |    |    |     |   | _   |  |   |  |

[3]

#### 2) Observe the map and answer the following questions given below.

S-017 -10-

## 

|    | a)  | Name the iron ore exporting port in Orissa.   | _ |  |  |  |  |
|----|---|---|---|--|--|--|--|
|    | b)  | Name any one mica producing area in Rajasthan.  | _ |  |  |  |  |
|    | c)  | Name any one iron ore mine in Maharashtra.  | _ |  |  |  |  |
| 3) | Choose and write only the correct alternative from those alternatives given below.  a) Which one of the following is the electronic capital of India? |   |   |  |  |  |  |
|    |   | i) Pune ii) Hyderabad iii) Bangalore  |   |  |  |  |  |
|    | b)  | Which of the following minerals is also called black gold?  i) Petroleum  ii) Coal  iii) Iron |   |  |  |  |  |

B) 1) The textile industry occupies unique position in the Indian economy. [2]

|    | a)  | Name any two textile industries. |                            |                              |          |
|----|-----|----------------------------------|----------------------------|------------------------------|----------|
|    | b)  | Write any one chal               | lenge faced by the text    | ile industry.                | _        |
| 2) | Ch  | oose and write only              | the correct alternative t  | from the given alternatives. | _<br>[2] |
|    | a)  | Most of the jute mi              | lls in India are located a | along the banks of the river |          |
|    |     | i) Yamuna                        | ii) Kaveri                 | iii) Hugli                   | _        |
|    | b)  | Which one of the fo              | llowing industries uses l  | limestone as a raw material? |          |
|    |     | i) Aluminium                     | ii) Cement                 | iii) Jute                    | _        |
| 3) | Iro | n and steel industry             | y is the basic industry.   | Why ?                        | [2]      |
|    |     |                                  |                            |                              |          |
|    |     |                                  |                            |                              | _        |
|    |     |                                  |                            |                              | _        |
|    |     |                                  |                            |                              | _        |

S-017 -12-

|      | 4)            | a)     | What is manufacturing?  |               |  |
|------|---------------|--------|---|---------------|--|
|      |               | b)     | Write any two types of pollutions caused by industries.                             | _<br>[1]<br>_ |  |
|      |               |        |   | -<br>-        |  |
| 4. / | <b>A) 1</b> ) | Na     | ame the following :   | [2]           |  |
|      |               | a)     | It is the oldest artificial port of India   |               |  |
|      |               | b)     | It is used to carry gases liquids and slurry  |               |  |
|      | 2)            |        | ater ways are the cheapest mean of transport. State its importance (any to points). | [2]           |  |
|      |               | a<br>b | ))  |               |  |

-13-

3) Air travel has made access easier.

[2]

|    | a) | State two merits of airways.                    |     |
|----|----|---|-----|
|    |    |   |     |
|    |    |   |     |
|    |    |   |     |
| 4) | Co | ommunication is process of sending messages.    | [2] |
|    | a) | Write any two means of mass communication.      |     |
|    |    |   |     |
|    |    |   |     |
|    | b) | Name any two mail channels introduced recently. |     |
|    |    |   |     |
|    |    |   |     |

S-017 -14-

#### 

5) Observe the bar graph of the trade carried out by India to the United States and answer the questions that follow below:

[2]

a) What was the amount of trade between the two countries in 2007 – 2008?

b) What was the difference in trade from 2004 – 05 to 2006 – 07?

- 5. A) 1) Choose and write only the correct alternative from the given alternatives.
  - a) 24<sup>th</sup> December is observed as the \_\_\_\_\_ ir India.
    - i) Earth Day
    - ii) National Consumer Day
    - iii) Constitutional Day
  - b) \_\_\_\_\_ is accepted as a medium of exchange by the government of the country.
    - i) Cattle

- ii) Grains
- iii) Money

[2]

|    | 2) Study the follow   | wing table  | and answer the    | e questi | ion given below :            | [2]              |  |  |
|----|---|-------------|-------------------|----------|------------------------------|------------------|--|--|
|    | State/union te  | rritories   | Male literacy     | rate     | Female literacy rate         |                  |  |  |
|    | Kerala  |             | 96.02             |          | 91.98                        |                  |  |  |
|    | Lakshadweep   |             | 96.11             |          | 88.25                        |                  |  |  |
|    | Mizoram   |             | 93.72             |          | 89.40                        |                  |  |  |
