

KCET Biology Syllabus 2025	
First Year PUC Syllabus	Second-Year PUC Syllabus
Plant Kingdom	Evolution
Breathing and Exchange of Gases	Environmental Issues
Plant Growth and Development	Microbes in Human Welfare
Body fluids and Circulation	Biodiversity and Conservation
Photosynthesis in Higher Plants	Organism and Population
Anatomy and Flowering Plants	Reproduction in Organisms
Excretory Products and their Elimination	Human Reproduction
Neural Control and Coordination	Ecosystem
Cell Cycle and Cell Division	Reproductive Health
Locomotion and Movement	Biotech: Principles and Processes
Digestion and Absorption	
Morphology of Flowering Plants	
Living World	
Biomolecules	
Respiration in Plants	
Biological Classification
