- 18) The lion is neither hungry nor violent. How can you say so? **[1]**

■ **Read the paragraph and answer the questions :****[5]**

Now let's look into their eyes. Honey bees have five eyes : two compound ones and three simple ones. The surface of a compound eye of a worker bee has nearly 5,000 hexagonal facets, whereas drones have about 8,000. But surprisingly bees are poor in identifying colours. They can identify blue, yellow and white colours only. They cannot see the red colour at all!

The famous scientist Darwin studied the bees for many years and said that only a stupid person would not be amazed by the structure of a honeycomb. Bees invented an engineering skill of building a house. They use the minimum amount of building material to create maximum amount of space.

- 19) What is special about the compound eye of the honey bees? **[1]**
- 20) How many colours can the honey bees identify? **[1]**

- 21) To which colour are the honey bees completely colour-blind? [1]
- 22) Every intelligent person would be amazed to see the structure of a honeycomb. True or False? [1]
- 23) Find out a word similar in meaning to recognize. [1]

■ Read the data and answer the questions : [5]

■ Read the dialogue and answer the questions: [4]

- Dadaji : (Seeing Nidhip sitting in a gloomy mood)
Why are you so much lost today, my son?
- Nidhip : Oh Dadaji, Pranam. You know that my SSC Exams have gone well and I hope to score nicely.
- Dadaji : It's a matter of joy and pride. What makes you so sad?
- Nidhip : Dadaji, you know that I like languages and arts but my parents force me to opt. for science stream only.

- Dadaji : You have been a good student throughout. You will do better in science, too.
- Nidhip : That's ok. But what about the expenditure of tuitions in science? What about my interests?
- Dadaji : The Government gives a total financial assistance of Rs. 50,000/- to the students of science stream if they have scored a minimum of 70% marks in SSCE. This is given for private tuitions and classes for preparation of JEE or NEET Exams.
- Nidhip : Oho, this is really very good.
- Dadaji : Now let's talk about the study of the subjects that you are interested in. The National Education Policy, 2020 will give you the freedom of a wide variety of subjects when you go for higher studies. So, don't worry and cheer up!
- Nidhip : Oh, thank you, Dadaji. You have relieved me completely.

29) What was Nidhip worried about? [1]

30) Why does Dadaji feel that Nidhip can do well in science stream also? [1]

31) How does the Government help the bright students in their study of science stream? [1]

32) What is special about the National Education Policy, 2020? [1]

SECTION - C
